*Provide a challenging and responsive, educational
environment in a changing community that creates caring,
socially responsible, and exemplary students.*

The following public notification is being released for compliance with the regulations of the Federal AHERA guidelines for the management of asbestos containing materials. The Inspection Report and Management Plan is on file for review at the Beardstown Community Unit School District No. 15 Superintendent's Office.

PUBLIC NOTIFICATION

This notice is to inform building occupants of the potential hazard and locations of asbestos containing materials. It has been determined by the Illinois Department of Public Health and the United States Environmental Protection Agency that asbestos is a potential health hazard, and precautions should be taken to avoid disturbing any asbestos containing materials.

Materials containing asbestos have been found in the following Beardstown school buildings:

Gard Elementary School

Any evidence of disturbance or change in condition will be documented in the Management Plan as required by law.

Cleaning and maintenance personnel who recognize the danger of asbestos are taking special precautions during their work to properly guard against disturbance of asbestos containing materials. All asbestos containing material is inspected and evaluated periodically and additional measures will be taken when needed to protect the health of building occupants.
